Hot Springs Village POA is now offering the option of electronic bank drafts for payment of your water, sewer, and sanitation bill. If you choose bank draft to pay your bill, we will continue to send you a bill every other month, however, your billing amount will be withdrawn from your checking account and payment will be forwarded to us. If you question the amount you are being billed, please call the Accounting Department, Utilities Billing at 501.922.5520 prior to the draft date printed on your bill.

If you wish to have your water, sewer, and sanitation bill paid by automatic bank draft, complete the form above and return to the POA at the address above. It will take one month to process your application. You should continue to pay your bill until you receive a bill marked 'Paid by Bank Draft'.
